New Book Study - Diana Butler Bass' *Grateful*

By The Rev. Karen C. Lewis

Gratitude is not just giving thanks for blessings, birthday gifts, or compliments. Being grateful is a way of living which can be a challenge in this time of seemingly unending chaos and anger. What would it be like for us, the good folks of St. Paul's, to behave gratefully every day. To adopt acts of gratefulness as our way of living. We have much to be grateful for – the saints who have gone before us gifting us with this incredible facility – our living saints who are generational members who know and carry the legacy of the St. Paul's community – and our newest saints, the little ones who will carry on God's ministry in the future.

I invite you to join me in reading *Grateful* as we prepare to spend the next year living gratefully as a spiritual community. Let us allow God to transform us as we have worked so hard to transform our worship space. In what ways might we live gratefully – as individuals and as a community? We will gather for a four-week study – with your choice of meeting at noon on Mondays or Tuesday evenings at **6:30pm**. Child care will be available on Tuesday evenings. Dinner from Catered Affaire is available on Tuesday evenings at **5:30pm for \$7.00**. Books are available in the church office -- \$19.00. Scholarships are available – seek Karen+

The following review of *Grateful* from GoodReads gives you a sense of the book we have chosen for our study.

"More and more people are finding God beyond the walls of traditional religious institutions, but these seekers often miss the church community itself, including its shared spiritual practices such as gratitude. While four out of five Americans have told pollsters they feel gratitude in

their daily lives, cultural commentator and religion expert Diana Butler Bass finds that claim to be at odds with the discontent that permeates modern society.

There is a gap, she argues, between our desire to be grateful and our ability to behave gratefully—a divide that influences our understanding of morality, worship, and institutional religion itself. In *Grateful*, Bass challenges readers to think about the impact gratitude has in our spiritual lives, and encourages them to make gratitude a "difficult and much-needed spiritual practice for our personal lives and to make a better world." *Grateful* is partially an individual, emotional response to our circumstances, but research has shown that what we often miss is how much more it is a communal, actionable response. Bass examines this more unexpected experience of gratitude, and reveals how people and communities can practice it and thrive, whether or not they are part of a traditional religious community."

I encourage all of you to participate in this book study. It has the potential to transform you spiritually and change how our community relates to God and the world. If you cannot join one of our groups, but wish to read along, let me know. Blessings to you and yours, Karen+

A New Pictorial Directory

By The Rev. Karen C. Lewis

We have had many changes in our church family and there are new folks to connect with and meet. To assist you in knowing all of our members, we will be producing pictorial directory for our church with Lifetouch. A new church directory:

- ✓ Preserves this special time in the life and ministry of our church
- ✓ Becomes a lasting record of our current membership
- ✓ Introduces our church to friends, the community and new members
- ✓ Enhances fellowship by helping us visually connect faces with names
- ✓ Becomes a communication tool for our church family

Lifetouch is providing the directory at no cost to St. Paul's. Plus, every family photographed receives a directory and a complimentary 8x10 portrait! We are encouraging everyone to participate. Please plan on ONE HOUR for your appointment. Sign-up times are available on the table in the Merrifield Room beginning Sunday, September 30 or you can contact the church office for available time slots.

PHOTOGRAPHY DATES & TIMES:

Thursday, Friday & Saturday, November 8, 9 & 10, 2018

Hours: Wed, Thu, Fri: 2pm-8:30pm & Saturday: 9:30am-4:00pm

For your convenience, all photography and portrait viewing will take place at our church where you will have a variety of poses taken, and Lifetouch does not charge a sitting fee. One pose will be selected for the directory. You will have the opportunity to purchase additional portraits if desired. Lifetouch portrait guides are available at the sign up table that show new portrait options offered by

Lifetouch. The color for the background in the directory will be Blue but there will be other colors available for additional poses. Pets and meaningful items are welcome too!

If you donate a food or household product item to our food pantry collection you will receive a \$5 coupon from Lifetouch. In addition, seniors age 60 and older will receive a 20% discount and a \$10 coupon when you keep your appointment time. Remember Christmas is around the corner and portraits also make special gifts for family and friends.

You will have the opportunity to have a generational portrait taken by inviting your extended family or invite a friend and have a portrait made with everyone together. Just schedule together and add additional appointment times for each of your extended family units. Each family unit will be photographed and receive their own complimentary 8x10 portrait. Lifetouch will then photograph generational poses with everyone together, grandparents and grandkids, or any other special poses you would like to have. The additional families will count towards our program. We are looking forward to seeing everyone participate and being included in our new directory!

HIGHLIGHTS FROM THE SEPTEMBER 17TH VESTRY MEETING

- K. Lewis+ reviewed the structure of the 4C's Corporation. At the last meeting snow removal was discussed and the addition of bicycle rack(s) was denied.
- K. Lewis+ continues in her 6th year as a facilitator for Fresh Start.
- K. Lewis+ explained the process for the election of a new Bishop. The Diocese is currently in the Profile stage. The Profile will be published nationally on October 1.
- Jackie Womble will continue her role as Christian Formation Director through 2018.
- Parish wide book read: Grateful by Diana Butler Ross will begin in September. Grateful and its discussion will kick off a yearlong Heritage Project. An oral history of St. Paul's will be collected.
- The Audit Committee is Kirk Lindquist, Margaret Schulte and Claudia Hamlin.
- Stewardship Pledge Drive is being organized.
- Ministry Teams – Discussion focused on volunteerism and the lack of commitment. Various ideas are being explored. In addition to Mission and Out Reach, Communication and Community Life teams were identified as important and a priority. Vestry members will be suggesting ideas at the October meeting.
- Bishop Gibbs last official visitation to St. Paul's will be Nov. 4. One service at 10 am with confirmations, baptism and rededication of our church will take place. Plans for a luncheon, decorations, and a gift are taking place.
- K. Lewis+ announced that the Diocese of Western Michigan will use our sanctuary for their annual convention Eucharist.
- Coming event planning – Potluck September 30, Bless the Pets October 7, Silver Bells November 16.

SP21 Restore We are close but not yet!

ST. PAUL'S 21ST CENTURY RESTORATION PROJECT

Yes, the window is done! And it looks great, in fact, so great that some suggest better than ever before. The restoration has given our century-old building an interior face-lift, a new parking lot and new life for many generations to come. There are still a few projects we must complete – installation of new entrance doors into the cloister from our parking lot as they are rusting out; installation of the trefoil stained glass window in our Memorial Garden; repair of the granite steps outside our Memorial Garden entrance door; plaster repairs to the cloister ceiling, and a number of smaller projects. But the big projects are completed. The rest no longer seem overwhelming.

Our new Facilities ministry team will be tasked with overseeing and providing maintenance to all of our buildings so that never again will we have to engage in a project as extensive as this – unless the unforeseen happens once again. In gratitude for the legacy our ancestors have left to us with these facilities, we will strive to be good stewards of them for decades to come.

St. Paul's SP21Restore committee has come to an end as its task to raise over \$750,000 has been achieved. For that, for their hard work, we express our gratitude. But... we need you to continue to pay your pledges. As often happens in the summer, many fall behind in payment of their pledges. Although we are sound financially, we do have \$380,000 in diocesan loans to re-pay. We were blessed by the generosity of the Diocesan Council in offering such loans and we must be faithful in their repayment. We give thanks for your generosity of giving to both our annual operating budget and our SP21Restore campaign.

PARISH NEWS & EVENTS

Liturgical Events Not to Miss!!

It is good to be back in the nave for worship! The organ and choir lend majesty and beauty to our Sunday service and the sun shines brilliantly through our restored TeDeum window. Our normal routine of two services has returned and the rhythm of Sunday mornings seems to be restored once again. Perhaps you have noticed that we are changing our eucharistic prayer each Sunday – we are using prayers that match the readings (lectionary) each week. I know this feels for some a bit disruptive as we are unfamiliar with the words and must pay closer attention to what is being prayed. At the same time, it offers a meaningful way to connect our Scripture readings with our eucharistic prayer. We will do this until the season of Advent. Let Karen+ know if you find this supportive of your worship experience or not.

Over the next few months we have several special services to look forward to:

- **4:00pm on October 7th** we will engage in our annual **Blessing of the Beasts**. Let's all pray for great weather so we can celebrate God's gift of animals on our front lawn.
- **Children's Sabbath on October 14th at our 10:00am** service. Our children will lead the service including officiating, lecturing, ushering, and serving at the altar. Eric Travis, our diocesan youth missionary, will be our guest preacher for both the 8 & 10am services.
- **Saturday, November 3rd** – the Diocese of Western Michigan will be celebrating their **Diocesan**

Convention Eucharist at St. Paul's. We are honored to host this gathering and we will need a few altar guild folks and a couple of volunteer greeters that day to ensure folks know where they are going. This is a great opportunity to share our hospitality and our restored worship space with those beyond our doors. Please hold in your prayers the good folks of Western Michigan as they prepare for their convention.

- **Sunday, November 4th 10:00am** – Bishop Gibbs will be making his last official visitation to St. Paul's prior to his retirement. We will have only one service this day at 10:00am followed by a luncheon to celebrate our life together. **Bishop Gibbs will re-dedicate our wonderfully restored building** as we express our gratitude for the hard work, dedication and financial resources that made this restoration possible.
- **Tuesday, November 20th** – it is our tradition to gather each year in gratitude for family, friends and the many blessings of life with our **Harvest Home dinner and worship service**. Dinner will begin at 5:45pm with our worship at 7:00pm. Vestry will provide the meat offering and we will invite you to sign-up to bring either a vegetable, potato, salad or dessert.
- **Sunday, December 2 is The First Sunday of Advent.** Yes, Christmas is coming and we have already begun our planning including our St. Nicholas Celebration.

Why Should I Learn CPR?

Because...

- Knowing how to help is empowering.
- 95% of out-of-hospital cardiac arrests occur at work or at home.
- Caring for my community and my loved ones, especially in an emergency, is important to me.
- Approximately 1.25 million people in the U.S. experience a heart attack each year.

Delaying treatment for 4 to 5 minutes decreases survival rates by as much as 40%.

SAVE THE DATE:

The next class of First Aid / CPR / AED will be **November 17, 2018 Saturday 9:30.**

Sign-up sheet will be available in the Merrifield Room.

PARISH NEWS & EVENTS

A Call to Serve

Each worship service requires numerous folks to make it happen! Clergy can only do what they do if there are lectors and ushers and prayer leaders and acolytes and choirs and an organist and chalice bearers and an altar guild. Of course, we also need you in the pews. Many folks do double or triple duty – sing in the choir and carry the cross; set-up the altar and lector, usher and lector, and so on. These folks do what they do out of love, servanthood and the knowledge that they are needed so the service will go well.

We need more of these people! We need more acolytes, chalice bearers, lectors, prayer leaders, altar guild members, ushers, singers (but not another organist). Basically, we need you! If you are hesitant to join one of these ministries because you think you don't know enough – no worries! We have folks who can assist you and teach you and mentor you! If you are hesitant to join one of these ministries because you think you are too old or too young – you are not! Adult acolytes are great! Young acolytes are great! We will help you prepare the prayers for you ministry as a prayer leader. Chalice bearers need to go through licensing training but I guarantee you it is not painful!

Let me know if you think you need to be sitting in the chair next to me at the altar. Let me know if you wish to lead our prayers, or read the Word of God, or carry the cross in the name of Christ. It is our great joy to celebrate Sunday worship. Join our joy by becoming one of the servants of God!

In Gratitude for Her Service

She showed up a few years ago at our Tuesday noon healing service. Sitting quietly in the pew, we welcomed Jeanne Stout to our small congregation, appreciating her wisdom and sound thoughts on our Scripture readings. I had known her a few years earlier, when Jeanne was on the staff of the Diocese of Eau Claire and I was engaged in some consulting work for their leadership groups.

As she became familiar with the customs and people of St. Paul's, she offered to serve as our deacon – serving at the altar and providing some pastoral care. Susan and I readily accepted as the Rev. Deacon Jeanne Stout had much experience in pastoral care and 'church stuff'. She has been a blessing to our congregation with her incredible dry wit and sense of humor; her wise questions in classes and her gentle prodding to seek other options than just the one before you.

Jeanne is now ready to retire from active ministry. She will join the congregation in the pews engaging in servanthood from a different place of ministry. Please thank Jeanne for her many years of service as we celebrate her place among us!

Silver Bells Will Soon be Ringing!

Silver Bells this year will be particularly special for the good folks of St. Paul's. We have the opportunity to show off our restored worship space! And, we'll have the return of the pick-up St Paul's bell choir. We are planning now to return to our tradition of offering a concert immediately following the fireworks display. Our own Tim Flynn's St. Cecilia Choir will sing, the hand bells will ring, and we will have a good old fashioned Christmas Carol sing-a-long, followed by cookies and cocoa in the Merrifield Room.

November 16th is the date. Come join us – for the parade, the fun, the concert, and the cookies. We do need your help. Jackie Womble and Barb Heany are coordinating the popcorn give-away and the cookies and cocoa. Jackie needs help filling bags with popcorn and giving it away for free to those walking by the church on their way to the parade. We need many hands to make the cocoa and offer hospitality to the thirsty folks who will be seeking a warm cup of cocoa and a delicious cookie. And, we need cookies! Maybe you can't be us that night but I'll bet you can make a bunch of cookies and drop them off at the church for others to enjoy.

So – join us that evening! Make cookies for that evening! Hand out popcorn and enjoy the music and sing-a-long! It is truly a joy to open up our space to the Lansing community once again.

“Gross National Happiness”

MISSION AND OUTREACH MINISTRY

By Sue LeDuc

The week of September 17th through 24th St. Paul's hosted Refuge Lansing – a story-telling project about refugees. We know other stories more intimately from our own “conversation group” of mostly Bhutanese that has met here Monday mornings from 9 to 11 am for the past 4 years.

The group began with 18 or so older men and women who took a bus from their relocation apartments at Jolly & Waverly. They came in rain, snow, sleet or in heat of summer. We paid a translator of Nepalese, the language most spoke. That became a challenge as there were few translators available...until we recruited their young adult children working part-time or going to LCC. All of the refugees had medical problems...some more serious than others. We gave them coffee, tea, fruit and pastries or breads. We gave them 2 bus tokens every week. We taught them about this country and what they would need to know to become a citizen. They taught us about their food and life in Bhutan and Nepal and their culture.

Most of the group were Hindu and had come from an agrarian part of Bhutan; most did not have much education. Originally the “Lhotshampas” or “southerners” were of Nepalese origin brought in to work on highways and railroads in the early 20th century. They maintained their language, religion and culture and worked on their small farms. In the early 1990's the king of Bhutan declared that they were no longer citizens of Bhutan. More 100,000 refugees were sent to Nepal to live in UN refugee camps. The UN hoped that Nepal would accept these people eventually; that did not happen. In 2007, the UN began the process of resettling the refugees to many countries, of which one was the United States.

Twice our group had been told they were unwanted and had no rights; twice they were “resettled.” We discovered that most of our group had spent 20 years or more in a camp. They described it having barbed-wire fences and poor conditions. Their actions were limited. Many of their children or grandchildren were born in the camps.

They were earnest and hard-working, struggling to learn a new alphabet and language late in life. They were stunned at the concepts that are the foundation of our democracy; they were stunned at the vagaries of English like “read” the past tense of the verb and “red” the color... both pronounced the same! They flourished and brought

younger people to the group and refugees from other countries. Somehow it all worked. Most of our group has found work or moved to be with other family members who are in other states. The “conversation group” mission succeeded.

We have a temporary “hold” on forming another group as only 6 refugees from any country have been resettled in Lansing in the last 6 months.

Much has been made of the Bhutanese government campaign to attract tourists announcing that the “Gross National Happiness” is more important than the Gross National Product” in Bhutan. Unless, of course, you are those “Lhotshampas.”

What is Maplewood Women's Shelter?

By Sally Boron

The City Rescue Mission is a Lansing Christian nonprofit organization that was founded in 1911 and serves the homeless and those in need of shelter. They provide faith, hope, counseling and case management. 86% of the City Rescue Mission's budget goes to Program and Services! They are 100% funded by private donations. Housing for 26,971 has been provided in the course of a year. In 2006 the City Rescue Mission began to renovate the old Maplewood school. It opened in 2010 as a shelter for Women and Children with 35 available beds. Now capacity is close to 100 with an average of 74 women and children per night. A list of their needs is available in their newsletter.

St. Paul's Altar Guild began supporting Maplewood about 7 years ago by donating unused toiletries. Personal care items for women and children are being collected and given to Maplewood. Homeless and needy women, many with children, benefit from our donations, such as personal care amenities frequently found by travelers in their hotel room. Small samples that can be purchased at grocery and drug stores. **Donations must be new and unopened.** Examples include: soap, shampoo, lotion, hair conditioners, toothpaste, combs, deodorant, etc.

There is a shopping bag on the Needs Table in the cloister where you may place your donations. When the bag is full, the contents are delivered to Maplewood as a gift from St. Paul's.

Sign up to be a Greeter

One of the faith outreaches we have at St. Paul's is the Sunday morning greeters. We can extend our faith by welcoming our fellow parishioners and visitors each week. Remember that you are the first face they will see as they enter the church. A welcoming hand and face always lifts our spirit, what a way to start a day and you play an important part in that.

- Sign up sheets are in the Merrifield Room
- Need for two greeters at the back door only
- Be at the back door 20 minutes before the service

Greeters should remind parishioners to pick up their nametags, and ask visitors to fill out the guest book located in the cloister outside the chapel and to join the parish after the service for coffee and fellowship in the Merrifield Room.

Altar Flowers Add to Our Worship

By Theresa Milne

Altar flowers beautify the sanctuary and the chapel of our church, and are a gift to God and those who attend our worship services. The cost of altar flowers is funded through generous donations to our flower fund and are not a line item in our church budget. Due to a number of factors impacting costs, the cost of altar flowers is on the rise. Multiple people/families can make a contribution for any given week and dedications will be included in the bulletin. This way, no one person would have to bear the cost for an entire week. A contribution for flowers is a meaningful way to honor or remember a loved one. It is also tax deductible.

We no longer carry over dedications from year to year. Please have your requests in the office by the Monday prior to the Sunday of your dedication. No altar flowers are provided if no dedication has been made for a given

Sunday. The altar flower ministry is self-sustaining and each week must have a minimum of an \$70 contribution. Currently, If no dedication has been submitted for a given Sunday, there will be no flowers.

We are looking at ways to make a change to how we arrange for flowers on the altar. Please contact Theresa Milne if you would like to be a part of an Altar Flower Ministry.

All Saint's Sunday is November 4th and the same date as Bishop Gibb's final visit with our parish. This is the date we will rededicate the Te Deum window. Please submit altar flower forms for All Saint's Sunday by **October 28, 2018**.
